

NEWS FROM

January 2023

2023 will be a year full of incredible growth at Uplift Solutions, and we look forward to making an even bigger impact in the community. We've hit the ground running this month with news of winning an incredible grant from the State of Pennsylvania! Additionally, we have a large cohort under way at the Workforce Solutions Enon Training Center, are currently recruiting for the Workforce Solutions at FAB Jobs HVAC training, are hosting a Job Readiness event with Deloitte, and are planning for a fun community event that features a Record Clearing Clinic coming up next month.

Special Funding Announcement

Uplift Solutions is excited to announce that we are recipients of an incredible Violence Intervention and Prevention award from the Pennsylvania Commission on Crime and Delinquency, as part of their initiative to reduce gun and group violence across Pennsylvania. This funding will be a catalyst for growth in our Workforce Solutions Program and for Uplift overall by allowing us to expand our outreach, trauma-informed behavioral health curriculum, and the number of participants we serve. We're excited to share the impact of this funding with you in the coming months!

Cohort 39 will begin on February 27th, and we cannot wait for another amazing group of people to come into the program.

Recruiting has started for the first Workforce Solutions at FAB jobs HVAC Cohort, which will begin training in February. We are so excited to grow our work at the new Uplift Workforce Solutions Training Center at First African Baptist Church.
