

NEWS FROM Uplift

October 2024

Uplift's October newsletter is packed with important news --- from knowing where your polling place is, so you can vote on TUESDAY NOV. 5 to an invitation to Hardship to Hope Awards Gala on THURSDAY NOV. 7 to our community outreach programs that feed our Hunting Park neighbors and clear their records. Our open house events at Temple continue to recruit new students so that one day, they can follow in Uplift graduate Chris McClean's footsteps.
